

# issey persa

The Issey Persa is an architecturally designed louvered roof system that retracts completely to a vertical position leaving clear, open views. It can also be stopped at any position allowing ventilation or filtered sunlight if required. The Persa is a complete waterproof structure and is the ideal solution for all seasons, which adds a new perspective in outdoor living and entertaining.

## *Ideal locations and applications*

- Pergolas
- Alfresco dining areas
- Courtyards
- Balconies
- Decks
- Terraces

*With more than 25 years' experience, Issey is the most qualified sun shading solutions specialist in Australia*

# Issey Persa
