Issey Fantastic 4
One System 4 Solutions

Say goodbye to your flapping problems!

This Issey MaxiZip is a premium sunshade, designed to withstand high winds. Its fabric is locked in the track by a zip, minimising flapping in the wind. The multi-functional MaxiZip fits with any architectural style thanks to its customisation options.

The Issey MaxiZip offers a possibility to install onto frames with or without glass panels. If necessary the MaxiZip can be fitted with a blackout fabric, when darkness is required.

isseyMaxiZip

The Multi-functional Issey MaxiZip best fit with any architectural style thanks to its availability in various customisation options. Ideal locations and uses include:

- Sunrooms
- Large skylights
- Pergolas
- Courtyards
- Alfresco Areas
- Semi- open spaces
- Green houses

Fabric

The MaxiZip has the fabric secured in the Track Guided by a PVC inlay that is located inside the track. A series of stainless steel springs ensure perfect tension along both sides of the fabric. The screen and solid fabrics are trendsetting and available in long-lasting colours that take your breath away.

Operation

The ability to retract the blinds gives you the power to control when and how much shade is required:

- Motorised – Somfy tubular motors that can be hardwired to a switch or operated via remote control
- Automatic Sensors – For enhancement of lifestyle, choose an automatic sun & wind sensor that automatically extends or retracts the systems according to the day's conditions
- BMS – Easily integrates with Building Management Systems for convenient and versatile control
